

Technical drawing of a Clutch Control System, showing a detailed assembly view and a wiring diagram.

Assembly View:

- Shows the clutch pedal assembly, slave cylinder, and various hoses and connectors.
- Labels include: WABCO, 899 201 601 4 LABEL ETIQUETTE ETICHETTA, 897 730 050 4 FL P/N 02-12306-000, 452 698 008 0 FL P/N A02-13965-001, 970 051 503 0 FL P/N 02-13133-000.
- Dimensions: 4 mm MAX, 4 mm MAX.

Wiring Diagram:

- Shows the electrical connection for the clutch control system.
- Labels include: 899 201 601 4 LABEL ETIQUETTE ETICHETTA, 897 730 050 4 FL P/N 02-12306-000.

Warnings:

- Do not activate, if the clutch control system is filled and not mounted on a clutch.
- Do not activate, if the clutch control system is filled and not mounted on a clutch.
- Do not activate, if the clutch control system is filled and not mounted on a clutch.

Notes:

- Do not remove this safety part and activate the pedal box if the clutch control system is not mounted on a clutch.
- Do not activate, if the clutch control system is filled and not mounted on a clutch.
- Do not activate, if the clutch control system is filled and not mounted on a clutch.
